### **QUOTE OF THE DAY**

"What art offers is space - a certain breathing room for the spirit." – John Updike

"Art is a revolt against fate." – André Malraux

"There are some things you learn better in calm and some in storm." – Willa Cather

"It is very necessary to have makers of beauty left in a world seemingly bent on making the most evil ugliness." – Vita Sackville-West

"By the theory of our Government majorities rule, but this right is not an arbitrary or unlimited one. It is a right to be exercised in subordination to the Constitution and in conformity to it. One great object of the Constitution was to restrain majorities from oppressing minorities or encroaching upon their just rights. Minorities have a right to appeal to the Constitution as a shield against such oppression." – James K. Polk

"Reputation is what other people know about you. Honor is what you know about yourself. ... Guard your honor. Let your reputation fall where it will. And outlive the bastards." – Lois McMaster Bujold
